

VIBROPLEX®

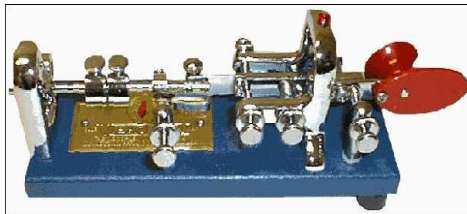

"Since 1890 - the oldest name in amateur radio"

Description

The Blue Racer is back! Patented in 1914, the Original Blue Racer went out of production in the mid '60s. The Blue Racer-2000 uses the same mainframe and chrome finished parts as the Original Bug, and is designed for code speeds from 20wpm to 50+wpm. This beautifully crafted instrument will link you to a great tradition.

Standard

Original blue powder coat base.

Deluxe

Chrome plated base.
