

VIBROPLEX - BRASS RACER

VIBROPLEX®

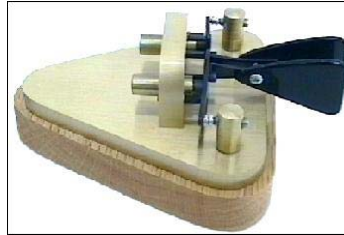

"Since 1890 - the oldest name in amateur radio"

Description

The Brass Racer keys are unique: no springs in the design! Tension on the pad is infinitely adjustable by the use of magnets. The Square Brass Racer Iambic is a departure from the traditional Vibroplex style. Brushed lacquered brass mounted on polished hardwood, with the famous Vibroplex logo plate. No screws, no springs; just set it and forget it for a lifetime of smooth, easy operation.

Triangular

Space-saving triangular shaped portable keyer paddle unit. Lacquered brushed brass mounted on hardwood base. Designed for use with an external keyer or the keyer in your radio.

Square

Square shape, same magnet design. Lacquered brushed brass mounted on hardwood base with serialized Vibroplex logo plate.
