

# VIBROPLEX - DOUBLE KEY

# VIBROPLEX®

*"Since 1890 - the oldest name in amateur radio"*

## Description

Perfect combination: the Vibroplex Straight Key with your choice of Vibrokeyer or Iambic Key. Each Double Key has a massive solid steel base to anchor the Double key in operating position. Each model has the famous brass Vibroplex logo plate with a unique serial number pinned on the top of each base. The base size is approximately 4½ \* 6½ inch.

## Standard

Black textured finish base with bright chrome top parts. Black finger and thumb pieces. Non jeweled movement.

## Deluxe

Polished chrome base with bright chrome top parts. Stainless steel hardware where appropriate. Red finger and thumb pieces. Jeweled movement.

## Gold

The entire base is crafted from solid steel and 24K gold plated. Top parts are decorative bright chrome. Stainless steel hardware where appropriate. Red thumb and finger pieces. Jeweled movement. These are special order.
