

VIBROPLEX®

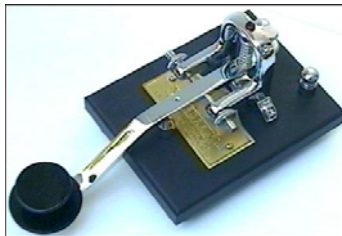

"Since 1890 - the oldest name in amateur radio"

Description

For the first time in its over 100 year history, Vibroplex has a straight key in its key line. Unique mechanical action, distinctly Vibroplex. The lever arm pivots in the famous chromed mainframe. A stainless spring allows complete control of the tension. A heavy solid steel base anchor the ket to the operating position to allow the operator to send perfect code. The brass logo plate with the unique serial number pinned on the top.

Standard

Black textured finish base with bright chrome top parts.

Deluxe

Polished chrome base with bright chrome top parts.

Gold

The entire base is 24K gold plated with bright chrome top parts. Stainless steel hardware where appropriate.
