

VIBROPLEX®

"Since 1890 - the oldest name in amateur radio"

A genuine piece of history The Vibroplex Vibrokeyer is designed for those who prefer a non-iambic paddle. The single level paddle initiates the automatic dots & dashes with the same motion used to operate the "Bug". The same crisp operation at 5 wpm as 50+ wpm. Code speed depends on electronic keyer used.

Standard

Black textured finish base with bright chrome top parts. Non-jeweled movement.

Deluxe

Polished chrome base with bright chrome top parts. Jeweled movement.

Gold

The entire base is 24K gold plated with bright chrome top parts. Stainless steel hardware where appropriate. Smooth jeweled movements for precision control.
